The said Board of Directors, hereinafter referred to as the "Board," is hereby empowered to advance sums of money for hospital planning and for expediting hospital projects in the year 1967, the total amount of which shall not exceed the product of one-quarter of a mill, in accordance with subsection (2) of section 21 of the *Regional Hospital Districts Act*, hereinafter referred to as the "Act," and for this purpose the Board may, with the approval of the Minister of Health Services and Hospital Insurance, hereinafter referred to as the "Minister," borrow such sums to be recovered from the proceeds of a subsequent money by-law.

9. The powers, duties, and obligations of the Skeena A Regional Hospital District, hereinafter referred to as the "district," are those matters enumerated in the Act, the regulations, and these Letters Patent, and in addition the district shall establish a Regional Hospital Advisory Committee as soon as possible. The said Committee shall, when requested by the Board, review the hospital projects proposed by the boards of management of the hospitals in the district and recommend priorities and revisions thereto if deemed necessary, and shall also recommend regional programmes for the establishment and improvement of hospitals and hospital facilities in the district for presentation to the Board and to the British Columbia Hospital Insurance Service for approval. The membership of the said Committee shall include persons representing the hospital corporations in the district and such other persons as may be appointed by the Board, together with such persons as may be appointed by the Minister from time to time.

Interest shall be adjusted as of December 31, 1967;

The sums disbursed for such purpose, when approved by the Minister, shall, for the purposes of the Act, be deemed to be debenture debt issued by that municipality for a term of twenty years, with interest at five per centum per annum, payable in equal annual instalments of principal and interest combined, and the year of issue shall be deemed to be the year in which the Council of the said municipality made the disbursement. Commencing in year 1968 the district shall either pay to the municipality annually the re-

maining unpaid instalments as if the municipality was the purchaser of the debentures deemed to have been issued or, alternatively, the said unpaid instalments shall be commuted by the Board; provided that where the Minister determines that moneys provided by a municipality during 1967 to a hospital project constituted a temporary advance, the municipality shall be reimbursed by a lump-sum payment made by the Board:

(c) include in the annual budget of the district the sums required for the purposes of clauses (a) and (b).

11. On or before October 31, 1967, each member municipality to which paragraph 10 applies shall submit to the Board and to the Minister a statement giving the details of the matters referred to in paragraph 10 as of the date on which the said statement is prepared together with an estimate of the sums likely to be paid or advanced for hospital projects during the remainder of 1967. 12. The sums disbursed for such purpose, when approved by the Minister, shall, for the purposes of the Act, be deemed to be debenture debt issued by that municipality for a term of twenty years, with interest at five per centum per annum, payable in equal annual instalments of principal and interest combined, and the year of issue shall be deemed to be the year in which the Council of the said municipality made the disbursement. Commencing in year 1968 the district shall either pay to the municipality annually the remaining unpaid instalments as if the municipality was the purchaser of the debentures deemed to have been issued or, alternatively, the said unpaid instalments shall be commuted by the Board; provided that where the Minister determines that moneys provided by a municipality during 1967 to a hospital project constituted a temporary advance, the municipality shall be reimbursed by a lump-sum payment made by the Board:

(c) include in the annual budget of the district the sums required for the purposes of clauses (a) and (b).

For the purposes of paragraph 10, the following hospital improvement district shall be deemed to be a member municipality: Kelowna and District Hospital Improvement District No. 36.

11. On or before October 31, 1967, each member municipality to which paragraph 10 applies shall submit to the Board and to the Minister a statement giving the details of the matters referred to in paragraph 10 as of the date on which the said statement is prepared together with an estimate of the sums likely to be paid or advanced for hospital projects during the remainder of 1967. Not later than January 15, 1968, each such member municipality shall notify the Board and the Minister regarding the details of any moneys actually paid or advanced for hospital projects after the said statement was prepared and before January 1, 1968.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

Witness, Major-General the Honourable George Randolph Pearkes, V.C., P.C., C.B., D.S.O., M.C., C.D., Lieutenant-Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this twenty-fourth day of August, in the year of our Lord one thousand nine hundred and sixty-seven, and in the sixteenth year of Our Reign.
